For this example, click on the **Billing** category.

STEP 5

Type your **phone number** in and **set the rules** for that particular phone number. Then click the **Save** button.

STEP 8

For unconfirmed phone/emails in the Additional Contacts on File section, you can click the **Confirm Contact** link.

STEP 11

For each category click the dropdown menu in the **Text Message** and/or **Email** columns and select the contact from the list.

Enter the **Verification Code** that was texted to your phone and click the **Save** button.

STEP 9

On the home screen click on the **Settings** menu on the left and then click on the **Manage Notifications** sub-menu.
