

Electric Yard Equipment

Cleaner • Quieter • Safer

Electric lawn mowers, leaf blowers, trimmers, chain saws, and snowblowers offer modern convenience with built-in safety advantages. Discover why more homeowners and professionals are making the switch.

WHY GO ELECTRIC?

Safer to Use

- **No gasoline to store or pour** — reduces fire hazards, spills, and toxic fumes.
- **Instant start and stop** with the push of a button or trigger release.
- **Cool-running motors** reduce burn risk.
- **Lower vibration and noise** reduce fatigue and boost operator awareness.

EQUIPMENT BENEFITS

Electric Lawn Mowers

- Push-button start, no pull cords
- Automatic blade shutoff on many models
- Lightweight, stable, and easier to maneuver

Electric Leaf Blowers

- Quieter operation for safer communication
- Lightweight design improves control and reduces strain

Electric Lawn Trimmers

- Smooth, consistent power for greater precision
- Low vibration helps prevent hand and arm fatigue

Electric Chain Saws

- Instant chain brake and fast stop features
- No hot engine parts
- Controlled torque reduces kickback risk

Electric Snowblowers

- No exhaust fumes — ideal for garages, porches, and walkways
- Easy electric start in cold weather
- Electric engine torque makes the snowblower stronger so it throws snow further and will go through slush easier

MORE THAN SAFETY

Clean & Eco-Friendly

- Zero emissions during use
- Reduced neighborhood noise

Lower fueling and maintenance costs over time

- No oil changes, spark plugs, or engine tune-ups
- Fewer moving parts mean fewer breakdowns

 **Powerful. Dependable. Safer by Design.**

Electric outdoor tools deliver the performance you need with the safety you expect. Make your yardwork cleaner, quieter, and easier — choose electric.
